Statement of Fact – The Glebe Field / Pinchbeck United Ltd

Release Date: 30 March 2026

Pinchbeck Parish Council is aware of the strength of public feeling, including comments on social media, online commentary, and petitions, in relation to the Glebe Field and Pinchbeck United Ltd.

The Parish Council therefore issues this **Statement of Fact** to address points of public misunderstanding.

1. The Glebe Field is a Parish Council asset held for the benefit of the whole community.

The Parish Council has a legal duty to ensure that its use is lawful, properly governed, and in the public interest. That has been the Parish Council's stated position throughout. There are no proposals to sell the Glebe Field for housing or other redevelopment inconsistent with its existing restrictions.

2. There is a live legal disagreement regarding the basis on which the Glebe Field is occupied and used.

The Parish Council and Pinchbeck United Ltd do not share the same view of the legal basis on which the Glebe Field is occupied and used. That issue must be addressed by reference to evidence and legal advice, not by assertion or online commentary.

3. The Parish Council is taking professional advice and acting on that basis.

Acting on legal advice, the Parish Council has served formal notice requiring cessation of use and vacant possession on or before 31 July 2026.

The purpose is to regularise the legal position of a public asset and to ensure that any future use is placed on a properly documented, legally compliant footing.

4. The service of notice is not intended to prevent further discussion.

The Parish Council remains willing to seek an agreed, legally compliant arrangement for continued football use. A properly documented licence or other lawful arrangement remains capable of discussion. The Parish Council has also previously indicated a willingness to assist with reasonable legal costs to help facilitate proper engagement. Any such arrangement, however, requires structured negotiations through the parties' instructed legal representatives.

5. Structured solicitor-to-solicitor negotiations have not yet commenced.

Despite public references by Pinchbeck United Ltd to legal advice being taken and to a wish to find a way forward, the Parish Council's solicitors have not received any approach from Pinchbeck United Ltd or its solicitors to commence structured negotiations since service of the notice at the end of January 2026.

6. Some matters cannot properly be debated in public while legal issues remain live.

The Parish Council will not place privileged, confidential, or commercially sensitive material

into the public domain. That is not a lack of transparency; it is a normal and proper consequence of live matters concerning a public asset on which the Parish Council is taking legal advice.

7. Online speculation should not be mistaken for fact.

Public comments have included allegations that the Parish Council intends to sell the Glebe Field for housing or has already reached undisclosed decisions about the future of the site. There are no proposals to sell the Glebe Field. The issue is the legal and governance basis of occupation and use, not a housing proposal.

8. The Glebe Field is not simply an unrestricted site available for general redevelopment.

The registered title describes the land as “Pinchbeck Glebe Playing Field”. It contains significant restrictions requiring the land to be used as a playing field, prohibiting residential buildings, and imposing further obligations and protections affecting the land. It also contains obligations requiring reasonable endeavours to allow pupils attending East Pinchbeck Primary School access to and use of the playing field during normal school hours, subject to a fair contribution to maintenance, and records rights affecting the Old Village School / Adult Education Centre and a right of way from Knight Street.

These matters underline that the land is subject to a specific legal framework consistent with community and educational use.

9. Public debate should remain calm, factual, and respectful.

The Parish Council recognises that there are strong feelings about the Glebe Field and Pinchbeck United Ltd, and it respects the right of residents to express their views. However, personal accusations or unsupported allegations of dishonesty, impropriety, or ulterior motive do not assist a constructive resolution.

The Parish Council asks that public discussion remains calm, evidence-based, and respectful of all parties.

10. The Parish Council recognises the importance of football and wider community activity in Pinchbeck.

The Parish Council recognises, and has consistently recognised, the importance of football and wider community activity in Pinchbeck. It is clear from public comment that many residents value the sporting, social, and community use associated with the site, and the current legal dispute does not alter the fact that those views are understood.

11. The Parish Council’s responsibility is to the whole parish.

That includes supporting community activity where possible, but doing so on terms that are clear, lawful, enforceable, and fair to the wider public. Public land cannot properly be managed on the basis of assumption, historical sentiment, or informal arrangements whose legal status is disputed.

12. The Parish Council remains willing to engage properly and constructively.

If Pinchbeck United Ltd wishes to pursue an agreed outcome, the appropriate route remains structured engagement through the respective solicitors. The Parish Council remains open to that process.

As matters remain live and legally advised, it would not be appropriate to comment further on disputed legal detail at this stage. Further updates will be provided if and when appropriate.

Pinchbeck Parish Council

Annual Investment Strategy

2026-2027

1. Introduction

- 1.1. Pinchbeck Parish Council (“the Council”) recognises the importance of investing surplus funds prudently, in accordance with proper practices, so that public money is safeguarded and remains available for the Council’s functions.
- 1.2. As the Council expects its total investments to exceed £100,000 during the financial year 2026-27, this Annual Investment Strategy has been prepared in accordance with the [Statutory Guidance on Local Government Investments](#) issued under [Section 15\(1\)\(a\)](#) of the [Local Government Act 2003](#).

2. Definitions

- 2.1. The Council adopts the following definition of treasury management activities:
“The management of the Council’s cash flows, its banking and money market transactions, the effective control of the risks associated with those activities, and the pursuit of optimum performance consistent with those risks.”
- 2.2. For the purposes of this strategy, a credit rating agency means one of the following:
 - Standard and Poor’s.
 - Moody’s Investors Service Ltd.
 - Fitch Ratings Ltd.
- 2.3. A Specified Investment is an investment which satisfies all of the following conditions:
 - it is denominated in sterling.
 - it is not a long-term investment, being repayable within 12 months.
 - it is not defined as capital expenditure by virtue of regulation.
 - it is made with a body or in an investment scheme of high credit quality, or with one of the public-sector bodies or schemes identified in statutory guidance.
- 2.4. A Non-Specified Investment is any investment that does not meet the definition of a Specified Investment.
- 2.5. A non-financial investment is a non-financial asset held primarily or partly for the purpose of generating income or making a profit from its disposal.

3. Policy

- 3.1. This strategy sets out the Council’s objectives, policies, approved investment types, risk management approach, and reporting arrangements for the management of its investments.
- 3.2. This strategy should be read alongside the Council’s Financial Regulations and any relevant provisions of the Council’s budget and accounting arrangements.

4. Investment Objectives

- 4.1. The Council’s investment priorities shall be, in order:
 1. Security – protecting the capital sum invested from loss.
 2. Liquidity – ensuring that funds are available when required for expenditure.
 3. Yield – obtaining an appropriate return consistent with proper levels of security and liquidity.
- 4.2. The Council will not seek to maximise return at the expense of security or liquidity.

5. Types of Investment

- 5.1. For the financial year 2026-27, the Council will invest only in Specified Investments.

- 5.2. The Council will not place funds in Non-Specified Investments.
- 5.3. The Council does not propose to acquire any new non-financial investments during the financial year 2026-27 under this strategy.

6. Risk Assessment

- 6.1. The Council will seek to ensure that its investments are held with institutions or in instruments of high credit quality and with appropriate regard to security and liquidity.
- 6.2. Where relevant, the Council will have regard to information available from the recognised credit rating agencies listed in Section 2.2, together with other available financial and regulatory information.
- 6.3. The Council will seek to use institutions with strong short-term and/or long-term creditworthiness, taking account of ratings, market information, regulatory status, and general economic conditions.
- 6.4. The Council will spread investments across more than one institution where appropriate to reduce counterparty risk.
- 6.5. The Council acknowledges that eligible deposits may be protected by the Financial Services Compensation Scheme up to the prevailing limit but will not rely solely on that protection when determining where to place funds.

7. Annual Investment Strategy Setting Process

- 7.1. As part of the Council's annual budget-setting process, the Finance Committee shall consider the Council's cash flow position and anticipated investment balances.
- 7.2. Each year, the Finance Committee shall prepare a draft Annual Investment Strategy for consideration and approval by full Council.
- 7.3. The strategy shall include, as appropriate:
 - the categories of investment authorised for use.
 - the Council's investment priorities.
 - a review of current investments and available options.
 - the maximum amount to be held with any one institution or investment type.
 - the maximum period for which funds may be committed.
- 7.4. The Clerk and Responsible Financial Officer shall be responsible for implementing the approved strategy.
- 7.5. Management of, and access to, investment accounts shall be in accordance with the Council's Financial Regulations and any banking mandates approved by the Council.

8. Investment Strategy for 2026-2027

- 8.1. For the financial year 2026-27, the Council will place surplus funds only in Specified Investments denominated in sterling.
- 8.2. Funds required for day-to-day expenditure and short-term cash flow purposes will ordinarily be held in the Council's main bank account with Barclays Bank plc.
- 8.3. Surplus funds not required for immediate expenditure may be deposited in the following institutions, subject always to the requirements of security and liquidity:
 - Barclays Bank plc
 - Unity Trust Bank plc
 - The Co-operative Bank plc
- 8.4. The maximum sum to be held with any one banking institution should normally not exceed £120,000, unless the Council considers that a temporary operational need, short investment duration, or other risk-based justification supports a higher balance.
- 8.5. Investment periods shall normally be for no longer than 12 months.
- 8.6. The Council will keep under review whether operational or market conditions require the early withdrawal, transfer, or redistribution of funds.

9. End of Year Investment Report

- 9.1. The Clerk and Responsible Financial Officer shall report investment activity to the Finance Committee during the year as appropriate.
- 9.2. An annual report on investment activity for the financial year shall be made to full Council as soon as reasonably practicable after the end of that year.
- 9.3. The annual report shall include a summary of investments held, interest received, and any issues arising in relation to security, liquidity, or compliance with this strategy.

10. Review and Amendment of Strategy

- 10.1. This Annual Investment Strategy shall be reviewed annually.
- 10.2. The Council may amend this strategy at any time by resolution of full Council.
- 10.3. Any approved amendments shall be recorded in the minutes and made available to the public.

11. Publication

- 11.1. In accordance with the Freedom of Information Act 2000 and the Council's publication arrangements, this Annual Investment Strategy shall be available for inspection and published on the Council's website.
